

### **Do I need an MSD Inspection Decal for my boat?**

If your boat does not have a marine toilet or has a portable toilet you do **not** need an MSD Inspection Decal.

If your boat has any type of permanently installed marine toilet, then to be compliant with RI General Laws you must obtain an inspection and MSD Inspection Decal from an authorized Certification Agent.

### **How do I get an MSD Inspection Decal for my boat?**

To obtain an inspection and MSD Inspection Decal, contact an agent from the attached current list of authorized Certification Agents in the State.

### **Cost**

Inspectors may charge up to \$35 per boat for each inspection and decal. For each additional toilet inspectors may charge an additional fee of up to \$25.

### **How Often Do I need an Inspection?**

MSD Inspection Decals expire after 4 years. RI General Laws require vessel owners to display a valid MSD Inspection Decal on vessel having permanently installed marine toilets.
