Dear Mr. Martella:

On behalf of the owner of the subject locations (hereinafter, "Site"), SAGE Environmental, Inc. (SAGE) has prepared this letter to document completion of the June 2024, Site inspection and placement of a temporary cap under a Department approval dated May 15, 2024. On June 1, 2024, a geotextile with 2 inches of recycled pavement was placed over 20 West Extension Street (Plat 32 Lot 267). Pictures from the capping are provided below.

In accordance with the Interim Remedial Measures Approval Letter, dated September 20, 2023, inspections of the temporary control measures are to occur monthly. On June 27, 2024, SAGE visited the Site to confirm temporary remedial measures were in place and were in satisfactory condition. During the inspection, a deficiency was not found. Below are photographs documenting observed conditions.
