RIDEM/Office of Waste Management maintains an inventory of sites and files in its various programs (Underground Storage Tanks, Waste Facilities Management, Federal Facilities and Site Remediation). These lists are current as of the date indicated. Please note that these lists may change frequently as sites or files are added to or removed from these programs. The presence of a site on one of these lists should not be interpreted as an indication of an ongoing problem at that site. Similarly, and the absence of a site from these lists should not be interpreted as an indication that the site is free of regulatory issues under these programs. Anyone interested in any site on these lists is encouraged to contact the Office for further information and/or email [Angela Spadoni](#) to arrange a file review.
